EMI replaced its Incident Command System (ICS) curricula with courses that meet the requirements specified in the National Incident Management System (NIMS). EMI developed the new courses collaboratively with the National Wildfire Coordinating Group (NWCG), the United States Fire Administration and the United States Department of Agriculture. This section of the website provides information on the National Incident Management System (NIMS). NIMS is intended to be used by the whole community. The intended audience for this section is individuals, families, communities, the private and nonprofit sectors, faith-based organizations, and state, local, tribal, territorial, and federal governments.
